## MASTERS MESSAGE

Masters note for January:

Charge of a Freemason; this is a small excerpt it is found in its entirety in the Clear Text Key pages 204 to 211.

III. A lodge is a place where Masons assemble and work; every brother should belong to one and be subject to its by-laws and General Regulations.

As most, if not all of us have heard, the Grand Lodge has been working on a number of proposed changes to the Book of Constitutions. We may like some of the changes we may not like any of them. But change does come. There have been changes in the past and will be in the future. We must continue to be the best Masons we can be, let brotherly love prevail, and work for the betterment of masonry.

Steve O'Donnell WM
